

This Summer Dayspring Christian School offers

Reading Ready

Would you like extra help to improve your child's reading?

Reading is a basic component of every subject that a child will study in school and essential to tasks he or she will complete throughout his or her life. A good grounding in this basic skill will help ensure your child's success in many areas and give him or her the confidence to tackle new projects with ease.

This class will work to help struggling readers get a better grasp on this skill and help solidify the abilities of those who are still not quite confident. Our experienced teachers will use a variety of methods based on the needs and abilities of the child to further his or her reading level and gain the best possible outcome.

There are two sessions available. You may choose for your child to attend one or both sessions of the class. Registration is requested by May 30.

- | | |
